

HSELAND.ie – ONLINE COURSES

Go to <https://www.hseland.ie/dash/Account/Login>

PLEASE NOTE- If you have already registered in the past through the staff registration you will need to use an alternative email address to register as a volunteer (unless you are HSE staff). Select 'Create an account as Temporary Health Service Contract or Volunteer'

HSE Terms of service will appear on your screen – **Accept and Continue**

You will then be brought to the basic registration page and **provided that the username and email address you are registering with has not already been used on this site**, you can create your account here.

Once submitted you will receive an email from HSELAND to verify your account. Once you have done this you can login and complete the courses.

The five courses you must complete are:

1. Children First
2. HIQA Infection Standards in the Community. (60 minutes)
3. AMRIC Hand hygiene for HSE clinical staff. (30 minutes)
4. Putting on and taking off PPE in acute healthcare settings. (20 minutes)
5. Putting on and taking off PPE in community healthcare settings (20 minutes)

You will receive a certificate on completion of each course which will be available under 'Certificates' in your HSELAND Account.

You can email the certificates to your Coordinator.

To reiterate, if you have already registered through the staff portal in the past and you cannot login now, you will have to register again with a new username and email address.
